School District**

*Innovative Programs * World Class Education*

Navigating Common Core Mathematics Grades 6-12

Families are partners in education. As such, we need to work together to support students in their math progression. This workshop will highlight 6-12 math sequencing, graduation requirements, and A-G requirements. Participants will see how integrated classrooms align with the traditional math pathway. Participants will also receive information about the resources, tools, and support offered to students and parents within our district. The workshop is designed to support parents so they can understand their child's math pathway and support mathematics development at home.

Common Core Math	English	December 3rd	9:00AM–10:30AM
Common Core Math	Spanish	December 17th	9:00AM–10:30AM

Wellness Classes

This class engages families with hands-on activities in diverse topics that support the wellness of our families and students. From nutrition, yoga, brain and learning exercises, parents will practice wellness and learn practical strategies in a fun learning environment.

Wellness Class	Spanish	December 2nd	10:00AM-11:00AM
Wellness Class	English	December 9th	10:00AM-11:00AM
Wellness Class	Spanish	December 16th	10:00AM-11:00AM

Preparing Your Child for the CELDT (California English Language Development Test)

During this session, parents will learn why their student is in the English Learner program; how they can assist their child to prepare for the annual CELDT; and what is necessary for the child to be reclassified.

CELDT Classes	December 14th	9:00AM– 10:30AM
---------------	---------------	-----------------

Literacy Development

This class will engage families with useful strategies and activities that support literacy development for students.

Literacy Development	English	December 1st	9:00 AM-10:30 AM
Literacy Development	Spanish	December 8th	9:00 AM-10:30 AM

Navigating Common Core Mathematics Grades K-5

This workshop provides an overview of the Common Core State Standards for math and how it compares to California's former essential grade level goals. It will provide parents with an understanding of Engage New York curriculum and resources parents can use to support their student in math. The workshop will also provide parents with other useful math resources such as the online math program called Ten Marks.

Standards in Math	English	December 7th	9:00AM–10:30 AM
Standards in Math	Spanish	December 15th	9:00AM–10:30 AM

Keeping Track Of Your Student's School Information Digitally

Parents will learn how to create and use parent accounts in the *Aeries Portal*, the District's Student information System, and in SchoolFusion, the District's website and educational calendaring system.

Aeries	Bilingual	January 8th	1:00PM-2:00PM
--------	-----------	-------------	---------------

Computer Basics For Parents

Parents will learn how to use a computer and the Internet to support their student's school needs. Topics to be covered will include Cyber Safety, Internet research tips and tricks, and Microsoft Office Online tools similar to those used by YCJUSD students in Office 365.

Computer Basics	English	December 4th	9:00AM-10:30AM
Computer Basics	Spanish	December 11th	9:00AM-10:30AM
Computer Basics	English	January 22nd	9:00AM-10:30AM
Computer Basics	Spanish	January 29th	9:00AM-10:30AM
